Highlighted Features & Advantages

- Scissor style tailgate is easy to operate and provides much better control than traditional guillotine gates.
- Neck extender holds tension with gas filled struts.
- Complete chute tilts with hydraulics to 78 degrees, allowing some gravity to be used for weight to be at the bottom of the chute.
- 1017 carbon steel rated at 58000 PSI on structural tubing.
- Optional trailer kit.
- Can accommodate up to 800lb calves.
- 25' of hydraulic hose for use with any type of power pack.
- Hydraulic controls fold away for ease of transport and storage.
- Table side has 4 fold down doors for access to calf when in chute position.
- Working side of the chute has spring loaded bars for ease of access to the calf.
- Powder Coated HiQual brown color.
